**FRAMEWORK FOR DETERMINATION OF STARTING SALARIES OF STAFF
IN NORTH/SOUTH IMPLEMENTATION BODIES/TOURISM IRELAND
(EXCEPT CHIEF EXECUTIVES)**

- determination of the above starting salaries may be approved by Sponsor Departments;
- Departments may permit the Bodies/Tourism Ireland to decide on the appropriate salary at appointment without prior approval from the Departments. The operation of this responsibility by the Sponsoring Departments and the Bodies/Tourism Ireland shall be within the context of the agreed Financial Memorandum;
- the Sponsor Departments will be responsible for monitoring starting salaries and will submit to the Finance Departments a joint report on an annual basis at which time Finance Departments may consider if any action is necessary;
- the determination of the starting salary will be governed by public sector recruitment policy North and South and best practice and should draw heavily upon the “Checklist” as previously agreed and issued to Sponsor Departments and the Bodies/Tourism Ireland. Where possible the starting salary should be at the minimum unless there are compelling reasons for doing otherwise;
- an appropriate explanatory note should be included in the “Information to Applicants” which outlines the recruitment policy and states that *“Starting salary would normally be at the minimum. Consideration of a higher starting salary may be given to applicants with exceptional relevant experience and/or skills”*.
